

Using Photographic Images of Children – Consent Form

KNC Performing Arts Company

Name of Parent or Guardian.....

Child's Name.....

Sometimes we take photographs of children either at the school or when they are involved in organised activities away from the school site. We may use the pictures in school publications, such as the prospectus, and on our website and social media. We may also make video recordings for use by the school in school publications such as on our website or social media. To comply with the Data Protection Act 1998, we need your permission to photograph or make any recordings of your child.

Occasionally, the school may be visited by the media to take photographs or film at the school. Pupils will often appear in these images, which will be published in local newspapers or even broadcast on television.

Please answer questions 1 and 2 below, then sign and date the form where shown and return it to us as soon as possible.

1. May we take photographs or recordings of your child and use them (unidentified by their full name):- in school publications? on the school's website? On the school's social media?

Please note that websites can be viewed throughout the world and not just in Ireland

Please circle your answer: Yes / No

2. Do you consent to your child being photographed by newspapers and other media, on the basis that their full names will be published along with the picture?

Please circle your answer: Yes / No

Declaration: I have read and understood the school's policy. My decision on whether to give consent will remain valid throughout my child's time at the school, unless I notify the school to the contrary in writing. I promise that if I, or members of my family, take photographs or video recordings at a school event, these will be kept for family use only.
